

Heat Exchanger Sizing and Quote Form

To find out which model of heat exchanger will suit your requirements best, please provide design parameters of your application.

Contact Information

Name*: _____	Company: _____
e-mail*: _____	Address: _____
Phone/Fax*: _____	City: _____
Position: _____	State: _____ Zip Code: _____
Project Reference/P.O.: _____	
Quantity*: _____	Delivery required by: _____
Brief project description: _____	

	Side A	Side B
Fluid Type*:	_____	_____
Entering Fluid Temperature* (°C or °F):	_____	_____
Leaving Fluid Temperature* (°C or °F):	_____	_____
Flow Rate*:	_____	_____
Allowable Pressure Drop:	_____	_____
Design Pressure:	_____	_____
Load (capacity):	_____	_____
Density @ Temp.:	_____	_____
Thermal Conductivity:	_____	_____
Specific Heat:	_____	_____
Viscosity:	_____	_____
Phase Change:	_____	_____
Optional Data (if known):	_____	_____

* Denotes required fields
